

YOUNG SHEEP FARMER FORUM

The forum will bring together 10 young farmers, aged between 17 - 25 from across Ireland to form a discussion group from April - Sept 2025. Participants will get the opportunity to explore all aspects of the sheep industry, from farm to fork.

Benefits for Students

- ✓ Knowledge Transfer - on farm workshops and site visits, and industry insights
- ✓ Build networks with peers and industry leaders
- ✓ Develop advocacy, innovation, and leadership skills

Who Should Apply?

- ✓ Active involvement in sheep farming
- ✓ Creative problem solvers and strong communicators
- ✓ Drivers Licence and own mode of transport for travel is essential

Why Get Involved?

- ✓ Tackle industry challenges & influence change
- ✓ Join a dynamic group focused on sustainability & growth
- ✓ Shape future policies for a progressive sheep sector

Requirements:

Attend 6 full day group sessions one of which is an exciting overseas date over the summer of 2025.

Deadline: March 20th 2025
